**85-094 Bydgoszcz
Poland**

participated in the course

**Intraoperative Neuromonitoring (IONM IV international)
8 – 9 September 2008, Freiburg (language: English)**

The inomed Medizintechnik GmbH is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

The course "Multimodal Intraoperative Neuromonitoring" is designated for a maximum of 25 hours of European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

EACCME credits are recognized by the American Medical Association towards the Physician's Recognition Award (PRA). To convert EACCME credit to AMA PRA category 1 credit, contact the AMA."

By the Landesärztekammer Baden-Württemberg 20 points have been granted for this course, by the EACCME 12 European CME credits (ECMEC) have been granted.
